With reference to Govt Proceedings No 14247-55 / L.F. 346-92 of the 23rd Ult, received to-day, has the honor to state that the undersigned is in favor of proposing the decent rate of annas 4 per mile to non-official members of Local Fund Boards for journeys travelled by them as is allowed to Amildars and non-gazetted officers or officials of Superior Service under

Impose Service Regulations, article 528, and Appendix No 2 attached thereto.

It does not appear advisable to fix the number of miles which the members have to travel a day to entitle them to draw mileage in that case some rate of batta has to be fixed for their halts or short stages. The rate of annas 4 is expected to cover cart hire and all other expenses during the trip

For the purpose of calculation of mileage, the distance from their ordinary place of residence to the place where meetings are held may be adopted.

Sir,

With reference to Govern Proceedings No. 14247 dated 23d ultimo, L.7 346-92 on the subject of paying mileage to the non-official members for attendance at the meetings of Local Fund Boards I have the honor to state that sometime back the members of the Bagana Representative assembly were being paid a mileage of annas two per mile as travelling allowance for their attendance at the assembly at Bagana.

The members of the Local Board have to attend meetings three or four times in a year, and I think that it is reasonable that they should be paid their actual travelling expenses. In Mahad places carriage expenses are heavier than in Mandan Talukas. I would therefore recommend that members attending from Mahad Talukas be paid annas 4/- per mile and those from Mandan annas 3/- on account of their travelling expenses.

VII Read Government Proceedings No 14267-55 / LF 346-92 dated 23rd February last, calling for a report on the rates of mileage to be given to the non official members of the Board for attendance at the meetings.

Messrs Rhamnaraja Sreeeeenivasa and Bheemanna informed the Board that they are of opinion that as the meetings are for the good of the people, no remuneration of any sort is necessary or desirable.

Mr Nagarkar informed that the rate of 3 annas proposed in appears to be low considering the states of the members in the

Board and also that it is less by an anna allowed to the officials.

After discussion and consideration it was resolved that if any mileage is to be granted at all to these members the rate may be that adopted for amildars and officers of that rank (i.e) 4 annas a mile.
